Eliuth Chavero Jasso

Licensed Metaverse BIM Specialist (LMBIM-IS)

This certificate is awarded by the National BIM Professionals Alliance (NABPA) to acknowledge the successful completion of the Licensed Metaverse BIM Specialist (LMBIM-IS) Program — a professional certification demonstrating advanced mastery in BIM/VDC digital construction workflows and coordination management using Autodesk Revit, Navisworks, Inventor, and AutoCAD. The recipient has demonstrated proficiency in Digital Twin creation, Metaverse BIM Integration, and virtual collaboration workflows that advance the standards and efficiency of the Architecture, Engineering, and Construction (AEC) industry.
